NEVER QUESTION THE METHOD

Shooting Oliver is a short film that follows the struggles of an intensely devoted method actor whose steadfast dedication to his character threatens to crash a huge budget action movie quicker than snakes on a plane.

After months of rigorous training with the Navy SEALs in preparation for his role, the esteemed OLIVER LAWRENCE is not about to compromise his newfound 'Warrior Elite' code of ethics for the sake of some formulaic action flick.

While Oliver battles his demons, the veteran Toronto cast and crew scramble, pander and connive in order to keep the production on track.

Shooting Oliver was created by first time screenwriter and producer **Tadhg McMahon** and directed by **Daniel Clements** (*Laughing Out Loud, Express*). It features an amazing cast of dramatic and comedic talent including; Emma Hunter (*Pop Quiz, The George Stroumboulopoulos Show*), Karen Glave (*The Strain, Last Night, The Day After Tomorrow*), Lina Roessler (*Lost Girl, I'm Not There, Snow and Ashes*), Jameson Kraemer (*RED, Alphas, Covert Affairs*) and stars Tadhg McMahon (*Reign, The Descendant, RED*) as Oliver Lawrence himself.

An official selection of the *Los Angeles Comedy Festival 2014*, Shooting Oliver is currently seeking funding to develop into a broadcast series.
